

LOVE PRINTS

Having a child, you probably know that finger prints can be and often are left everywhere.

Whether young or old, we all leave our prints on that which we touch. What prints are you leaving on your child?

Here At NewSong Children's Ministry we desire to leave the hand print of love.

NewSong's Children Ministry

Communicating NewSong's mission to our children

To be a biblical community of God's servants going into all the world reaching the unbelieving, the unchurched, the unconnected and nurturing each other to become reproducing Christ-followers

Children's Church @ NewSong

Where Children Learn to Love Jesus, Love people.

► Welcome.

We know that your child is important to you and we trust that you desire for him or her to enjoy church and to grow as a result of his or her experience. With this in mind, NewSong Children's Church pledges to do all that we can to see your child grow into the person God has for him or her to be. This brochure is designed to introduce you to the ministry that exists here on Sunday mornings for your child during the 9:00 and 11:00 service hours. We pray that you will take advantage of these opportunities in order that we may do our part in ministering to you and your family.
